(Time and day to be determined by schedules of participants.)

FROM CAMPUS MINISTRY:

As we begin this new year, we **WELCOME BACK** our "old" members and **INVITE** those of you new to our campus to **JOIN US!** For your convenience and so that you will know **HOW MUCH WE WANT TO HAVE YOU WITH US**, we have scheduled two times to meet this week:

WEDNESDAY, SEPTEMBER 16
11:45 a.m. and 4:30 p.m.
Bldg. #7, Campus Ministry Office

You are welcome to join us at either of these times. We will share information and schedule regular meetings when we get together.

Please mark your calendar for our **Campus Ministry Social** on **Monday, September 21** at **7:00 p.m.**

We hope this year will be an especially good one. In our prayer for you, we call upon the Holy Spirit:

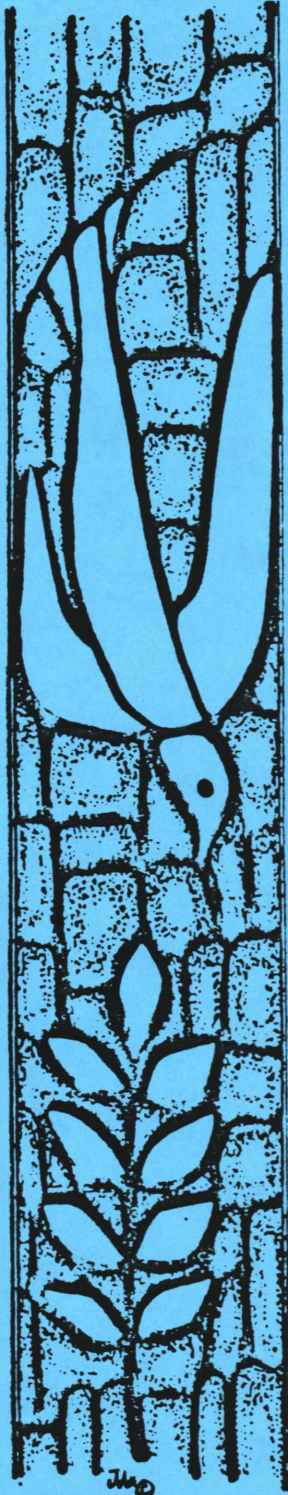

Come, Holy Spirit, fill our hearts
with the fire of Your Love. Send
forth Your Spirit and we shall be
created, and You shall renew the
face of the earth!

MSMC TO PARTICIPATE IN PAPAL VISIT

As you know, His Holiness, **Pope John Paul II**, will be visiting Los Angeles on Tuesday and Wednesday, September 15 and 16. Some of our students have the privilege of being directly involved--**Marybell Gallardo** and **Katherine Medrano** were selected for the choir singing at both of the Masses at the Coliseum and Dodger Stadium; **Eva Carbajal**, **Luz Gonzalez** and **Monica Navarro** will be representing us at the Youth Assembly at the Universal Amphitheater.

All of us will have the opportunity to welcome His Holiness at the motorcade. The block reserved for us is the **WEST**** side of Figueroa, between Olympic and Ninth Street. The Pope is expected to pass by sometime between **10:30** and **11:00 a.m.**** We are asked to be at the site as early as possible. Some students will be there by 6:00 a.m. to hold places for us. No cars will be allowed in the area after 7:30 a.m. Since the site is reasonably close, we hope you will join us in walking to the site. Continental breakfast will be available in front of Ahmanson Commons before leaving, and **lunch** (and ice cream) will be provided **when you return**** to campus.

Note: These represent **corrections** of the information provided in the flyer distributed last week.

Handicapped Parking

Anyone who must use a handicapped parking space on the Chalon Campus, must make a request each year. The Mount Permit is not valid after one academic year. A permit may be requested from Sister Edward Mary. Any person having a California state handicapped permit, does not have to request a college permit.

Parking Permits

A parking permit decal is required on any automobile which is parked on either the Doheny Campus or the Chalon Campus and this permit is valid on either campus.

On the Doheny Campus parking decals may be obtained from Sister Barbara in the Business Office, Building 10.

On the Chalon Campus the parking decals can be obtained from the Traffic Officer located in the Lobby of the Little Theater.

The deadline for securing your parking decal was September 18. After this date violation citations will be given.

Congratulations to the following four women who have begun the final phase of their major in Early Childhood Education. Supervised field work in a preschool has been initiated by KATHERINE MEDRANO, DEBORAH FACIANE, and SHARON MEALEY in the Child Development Center on campus, and by COLLEEN SCHROFF at the U.S.C. School of Early Education. This culminating experience consists of 200 hours of practice teaching under the guidance of a master teacher.

Congratulations also to BELEN DIAZ DE LEON and DEBORAH FACIANE who in June '87 were awarded scholarships for continued study in Early Childhood Education or Child Development by the Southern California Association for the Education of Young Children.

GROUP EXPERIENCE WELCOMES

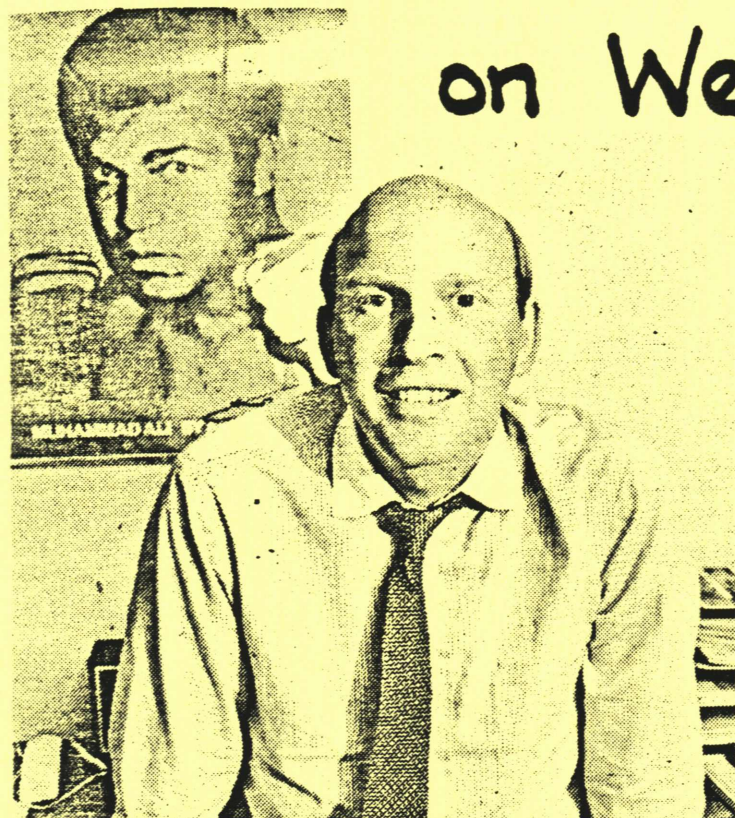

DR. JOHN HART, Ph.D.

on Wed., Oct. 28

12 noon - 1 p.m.

Lecture Hall (#4)

ALL ARE WELCOME!

He is a practicing psychotherapist with over 18 years of professional counseling and consulting experience. An adjunct faculty member of University of Redlands Health Science program, Dr. Hart is particularly interested in the research areas of stress-resilience, self-esteem and sport psychology. He is responsible for the design and development of Personality Fitness for Children and Youth™, and is working on a new book entitled *The Personally Intelligent Child*.

Athlete-Turned-Psychologist Coaches Mental Fitness That 'Puts the Positive Emotions to Work'

By RAY RIPTON, *Times Staff Writer*

His program attempts to combat low self-esteem in youngsters and overcome their fear of public speaking. Some research, he said, "indicates that self-esteem goes steadily downward with many students as they move through school."

Mental fitness exercises used in the program include techniques of public speaking and effective conversation, gestures and body language, assertiveness training, stress management, relaxation techniques and the use of positive imagery.

"From things I've seen in other school systems, kids who are backward and shy are sent to the school psychologist or social worker. That might be seen as a stigma if you have to see someone for your emotional health.

"I was a shy and backward kid," he said. "In college, I took a D in a speech course rather than speak before the class. If I had had someone to give me psychological fitness drills when I was young, I would have been less of a wallflower and could have saved myself a lot of grief."

Hanging on the wall of his West Los Angeles office is an Andy Warhol print of three-time heavyweight boxing champion Muhammad Ali, seemingly a strange decoration for a therapist's office.

But Hart doesn't find it strange. For him, Ali is "a model of someone who always spoke well of himself—and he was a shy kid in (his hometown of) Louisville."

Hart said baseball helped him overcome his shyness and develop self-confidence and that he believes "the lessons of sports are important even for kids who will never be outstanding athletes."

FROM THE DEAN'S OFFICE

Through November 6, MID-SEMESTER NOTICES will be issued to students not achieving a "C" or better in their classes. Notices are given at this time so that the students have an opportunity to improve their performances. Instructors will discuss the cause of the difficulty and will recommend that students use assistance available on campus: the Learning Resource Center, the instructor, tutors, and study groups. There is still time to improve grades before the end of the semester!

A BIG THANK YOU!

A belated "THANK YOU" to all those who participated in the recent Blood Mobile on Campus. We were able to donate a total of 25 pints and the Red Cross was grateful for our efforts. Thanks also to those who wanted to give but were unable to do so at this time. Remember that the Mobile will return in April for the Spring Drive -- you will be expected then!

FROM THE ADMISSIONS OFFICE

You may have heard that the Admissions Office is hostessing a program called "Monday At The Mount," which is an overnight program for students interested in Mount St. Mary's College. On Sunday, November 8, you will have the opportunity to meet these prospective students and tell them about your experiences here at the Mount. Join us for "Sunday Sundaes" at 8:15 p.m. and a MOVIE, at 8:45 p.m., in Donohue Center. The title will be announced next week in the Doheny Happenings. We hope that you will be able to take a break from your studies to join us!

FROM THE ADVISEMENT CENTER

ADVISEMENT APPOINTMENTS:

"He/She is never in his/her Office!" How many times we hear that! A suggestion: if your advisor isn't available when you go to see him/her and you are in class during the posted times, leave a note with your name, how to contact you and possible days and times that you could meet. Leaving a note of when you'll be back to see them doesn't constitute an appointment. Often advisors have to attend meetings or conferences that conflict with their posted/scheduled hours, but they are in their offices as often as possible and can usually be available with some "advanced" planning and request on your part.

PRE-REQUISITE TESTS:

ATTENTION: those students wishing to register for Math/Chemistry courses being offered at Chalon, Spring/Fall 1988, please remember that there are prerequisites to be completed (see Advisement Board, Bldg. 4, for the various ways the prerequisites can be satisfied).

If you are going to complete the prerequisites by taking a placement test, you may do so at the following times:

WEDNESDAY, November 11 12 noon and 5:00 p.m. at Chalon;
WEDNESDAY, November 11 for your convenience: TWO at Doheny:
2:20 - 3:20 and 3:30 - 4:30, Room 205;
WEDNESDAY, November 18 12 noon and 5:00 p.m. at Chalon:

(Nursing math test dates and Spring testing dates are listed on the Advisement Board, Bldg. 4.)

If you are taking the test: at Chalon, call ahead to Sister Sharon,
Ext. 8-3280.
at Doheny, call ahead to Sister Rose, Ext. 2125.

A COPY OF A PREREQUISITE FORM MUST ACCOMPANY YOUR REGISTRATION FORM FOR ANY OF THE CLASSES LISTED ON THE ADVISEMENT BOARD, BLDG. 4, AND ON THE ADVISEMENT CENTER BOARD.

This form can be obtained: 1) from the LEARNING ASSISTANCE CENTER if the prerequisite is being satisfied through a placement test at Chalon;
2) from THE DOHENY ADVISEMENT CENTER if the prerequisite test is being taken on the DOHENY CAMPUS; or 3) from your advisor if you scored satisfactorily on the Freshmen Placement Testing, at Doheny.

There are still some copies of the syllabus Sr. Rose sent out to incoming Fall '87 students to prepare for the tests; if you did not receive one and wish to get one, come to the Doheny Advisement Center.

GRADUATION:

Second year students with 27 or more units at the beginning of Fall '87 and who did not receive graduation papers from the Registrar's Office may want to check with their advisors about the possibility of graduation in May '88. Please do so soon, before Early Advisement (11/9) for Spring begins.

Did you get new glasses recently? What did you do with your old pair(s)? If you bring any old prescription glasses to the Doheny switchboard in Bldg. 10, we will ship them to NEW EYES FOR THE NEEDY, and they will go to the poor who need vision care and can't afford to buy glasses. If you have old costume jewelry, they will also use that. Thank you for taking the time to help.

FROM CAMPUS MINISTRY

JUSTICE FOR ALL-- A National Day of Awareness on Poverty in America. Tuesday, November 17, has been designated as a call to reaffirm our country's commitment to the principle of "Justice For All." Our own fears and ignorance often prevent us from understanding the poor and the DEEP INJUSTICE THAT UNDERLIES POVERTY TODAY. We must be vigilant against complacency and the all too easy assessment that there is "NOTHING WE CAN DO." On this day we join together to say that there is MUCH WE CAN DO AND MUST DO.

During the next two weeks as we approach Thanksgiving Day, the members of campus ministry will make available to you information on poverty in the United States and ways in which you can act with moral responsibility. We will begin on TUESDAY at NOON LITURGY to join in prayer in Chapel that our hearts will be open and that Americans across our nation will hear the call to live their lives in such a way that ALL MAY LIVE WITH DIGNITY.

Presently we are circulating petitions for a raise in the MINIMUM WAGE from \$3.35 to \$5.01. This is a MATTER OF JUSTICE. Everyone HAS A RIGHT to a reasonable wage that will allow them to sustain their lives and those of their families.

MONDAY, NOVEMBER 16, at 7:00 p.m., you are invited to join us for PRAYER in the Chapel. You will notice boxes for petitions placed in the various buildings on campus. The prayer group wishes to pray for your special needs. Place your petitions in these boxes or bring them to the Campus Ministry Office in Bldg. 7, if you prefer. We will continue this throughout the year.

FROM ASB

WE HAVE FINALLY FOUND THE EVENT that both commuters and residents won't want to miss! Our PIE-EATING CONTEST is set for 12:30 p.m. on WEDNESDAY, November 18, on the lawn area between the Mansion and Bldg. 10. It will cost you 50¢ to watch your friends blow any of the "table manners" they may have managed to learn, and get a chance to win a delicious pie--untouched! Those of you who are especially daring and sign up as contestants will compete to win a turkey. The one who finishes first will be the lucky winner!

FROM THE STUDENTS SERVICES AREA

CHRISTMAS FAIR! It is about that time of year when we check our Christmas list and get those presents together for those we wish to remember. To help with your shopping, we will hold our Annual Christmas Fair during the first week of December. More details will be in the next week's DOHENY HAPPENINGS on date and time. However, for now, we need to find out who will be selling items: arts and crafts, decorations, bake goods, etc. If you would like to be on the sales end, please sign up in Bldg. 7 this week. It really can be a lot of fun if a lot of us participate!

FROM THE NEWS OFFICE

The News Office wants to hear about newsworthy people and happenings for announcements and news stories of interest to off-campus media. Please send us typed information about your student organization's officers and major activities, with a list of participating members, at least four weeks prior to the event. Send information to Sr. Anne Marie, Box 51, Chalon. (Of course, for on-campus publicity and promotion you should contact the appropriate student body officers.)

SOME THANKSGIVING THOUGHTS . . .

"Godly people give generously to the poor. Their good deeds will be an honor to them forever . . .
Yes, God will give you much so that you can give away much, and when we take your gifts to those who need them, they will break out into thanksgiving and praise God for your help . . . Those you help will be glad not only because of your generous gifts . . . but they will praise God for proof that your deeds are as good as your beliefs. And they will pray for you with deep fervor and feeling because of the wonderful goodness of God shown through you."

Dee O'Brien, Doheny librarian, is urging all Department Chairs and interested faculty in the Liberal Arts to submit book suggestions for the Doheny campus library. The deadline is February 26th. In order to process the requests, they should be submitted as soon as possible. You may give your requests to the Doheny librarian and she will stipulate that the books are for the Doheny campus. LOOKING AHEAD

	10	Thursday	<u>Fr. William Buckley</u> , Priest in South Africa since 1962, on campus. Noon Mass, Forum, 2:00 - 4:00 (Pompeian Room) See article below.
--	----	----------	--

* * * * *

FROM THE DEAN'S OFFICE

If you are experiencing academic difficulty, faculty will be giving you a STEP EARLY WARNING NOTICE during the next two weeks. This is only a warning and will give you a chance to improve your grade by mid-semester.

REV. WILLIAM BUCKLEY ON CAMPUS

On Thursday, March 10, Fr. William Buckley will visit our campus. Fr. Buckley is an Irish priest who has been in South Africa since his ordination in 1962, working with Black congregations in King Williamstown. If you have seen or heard about the movie, "CRY FREEDOM," you know that this was the home of Steve Biko, the spokesman of the Black Consciousness Movement, who was arrested and murdered by the South African security police. Fr. Buckley was acquainted with Mr. Biko, and is more than well-acquainted with the TOTAL picture of the South African situation as it developed over the past 25 years.

Fr. Buckley is currently on sabbatical at Gonzaga University in Washington, where he is currently involved in conducting and "Apartheid Week." On Thursday, March 10, he will celebrate Noon Mass in the chapel and from 2:00-4:00 p.m. will offer a FORUM on the South African situation in the Pompeian Room. We strongly urge all faculty and students to attend this Forum if your schedule permits. A view of this tragic situation from both the Black and White perspectives is rarely offered--and should not be missed. A reception will follow the Forum.

FROM THE ADVISEMENT CENTER

TRANSFER TO BACCALAUREATE PROGRAMS (Chalon Campus): Those students who are considering transferring to the Baccalaureate Program of MSMC need to get a Program Change application from the Registrar's Office. A minimum cumulative transferrable GPA of at least 2.25 and 24 transferrable units are required. Some departments require a higher cumulative transferrable GPA. During March advisors will help you with the necessary paper work. Remember, advisors are not always available daily; it is important to check for their hours and plan ahead to meet with them.

AFTER YOU HAVE MET WITH YOUR ADVISOR AND HAVE COMPLETED THE NECESSARY FORMS, your file and application will be sent to the appropriate department chairperson. By the end of April you will be notified of the decision and, if accepted, you'll be able to do the May Early Advisement for your new program. Please consider now. WE WILL NOT be processing applications AFTER THE DEADLINE for filing: March 25, 1988. (If you have any questions, please consult Sister Rose in the Advisement Center.)

PRE-HEALTH SCIENCE/TRANSFER PROGRAM STUDIES: If you are planning to transfer into the Nursing Program, you need to get a Program Change application and go through the same process as above. The Nursing Program requires a 2.8 GPA for all transferrable college work. (See 1986-1988 Catalog, p.172, for additional information.)

FROM THE A.A. SCHOLARSHIP COMMITTEE

Applications and guidelines for Chalon Transfer Awards are now available from advisors.

Building Community

Join with USC, Chalon, and other Doheny students in our co-sponsored Spring Leadership Conference on Saturday, March 12, from 9:30 - 2:30 on the SC Campus. You do not need to be a current member of a board, committee, council -- you might just be thinking about getting involved. Either way, this is the workshop for you! Spend the day with others who want to work toward building community/ understanding on their campus, in their club, on their board, in their own dorm, etc. The focus will be on our diversity and how we can capitalize on the richness which is ours. Information is available in Office 4, Bldg. 7. Registrations are due by Wednesday, March 9 -- there is no charge for MSMC students. Join today!

FROM THE PHYSICAL THERAPY DEPARTMENT

VIBRATORS, ELECTRICAL STIMULATION, ULTRASOUND, TILT TABLE, RESTORATORS . . .

Ever wonder what goes in the Physical Therapy Lab? Why DO they have all those tables and funny looking paraphernalia? Find out for yourself - come to the Physical Therapist Assistant Open House, Tuesday, March 15, Ahmanson Commons, Rooms 6, 7, & 8, 4:30 - 6:30. Drop by for a few minutes before you eat dinner. You'll regret it if you don't!

UK/LA CELEBRATION! The Duke and Duchess of York are not the only Royals to make an appearance in LA this month. The Music Center is presenting the local premiere of Gordon Getty's PLUMP JACK on Wednesday, March 23 at 8 p.m. Special tickets for just \$6.00 have been reserved for Doheny and are now available in Bldg. 7 while they last. Buy yours today and plan to spend an enjoyable evening with Falstaff and Prince Hal and some members of the Royal Shakespeare Company.

GRADUATION '88! Did someone mention graduation? Isn't it a bit early? Well, the answers are "yes" and "no" -- YES we did mention it and NO it is not too early to start planning! The first step is forming a committee to work on the Doheny Hooding Ceremony and All-College Graduation. If any students -- either those graduating or first years -- wish to serve on the Committee, please sign up in Bldg. 7 (Office 4). We need to get started because May 28/29 will be here before we know it!

FROM THE GRADUATE DIVISION

We regret that it has been necessary to make changes in the DATE of the ceremonies for the awarding of Masters Hoods, Credentials and Certificates from Thursday, May 26, 1988 to WEDNESDAY, May 25, 1988. The time (8:00 P.M.) and location (the Lecture Hall, Building 4, on the Dohey Campus) remain the same.

The reason for this change is that Mount St. Mary's College has been given the opportunity to sponsor a Los Angeles Benefit Premiere of "Les Miserables" on Thursday evening, May 26. Net proceeds will benefit the students of Mount St. Mary's College. If you would like more information about this event, please call Ruth Ackryod, Monday through Friday, (213) 476-2237 (Ext. 3510).

Thank you for making this change on your calendar. We trust that it will not prove to be a great inconvenience to you.

Sincerely,
Sister Rebecca Doan
Secretary, Graduate Division

SPORTS

The Mount St. Mary's Tennis Squad traveled to Irvine last Friday and defeated Christ College, 5-2. This was an exciting first win this season for the Mount St. Mary's team, who also traveled to Fullerton College on March 4 (No scores at press time). Among the single winners were Caitlin Jaffarin, Tina Lomando, and Lisa Liddicoct. Marian Meade, Mount St. Mary's #1 player, was unexpectedly upset in her match although her doubles performance was sterling. Alouise Wright, the newest addition to this year's squad, showed keen competitive spirit in one of her first collegiate appearances. The team is eager to host Biola University at their home-match site in Marina Del Rey at the end of March.

S I E N A D A Y

Catherine of Siena contributed greatly to her 14th century Italy and, as a result, to her world and to ours. She is one of those rare individuals who continues to be an example of quality thinking and acting integrated into a well-lived life. Because she was a gifted women--and serious about the use of her gifts--she remains an outstanding example for contemporary students.

Our Siena Day each spring is intended to highlight the importance of developing and using one's potential for one's own time, but in a way that contributes positively to many--and to all time. This year, once again, we use the occasion of celebrating her life and contributions for an all-College convocation. The date will be: **WEDNESDAY, APRIL 27.**

Forums will be conducted on **BOTH CAMPUSES** to allow greater participation of all Mount students. The topic of these forums will be: **CHRISTIAN VISIONS OF WOMEN**, moderated by Fr. Aloysius Michael, S.J., of the Religious Studies Department. Times for the forums on each campus are as follows:

CHALON CAMPUS

10:00 - 11:45, CAMPUS CENTER

(Only classes held during that period will be cancelled.)

DOHENY CAMPUS

1:00 - 2:45, LECTURE HALL

(Only classes held during that period will be cancelled.)

The panel members for the Siena Day program are:
Father Michael, Chair
Pilar Aquino
Dr. Michele Dumont
Maureen McAvey
Mimi Simson
Sister Karen Wilhelmy

ALL STUDENTS ARE ENCOURAGED TO ATTEND THIS EVENT!

Some departments require a higher cumulative transferable GPA.

In meeting with the Advisor, time is needed to go over the necessary student forms and file work before the Advisor will sign the application. After the Advisor and the Dean have signed the application and the form is complete, the student returns it to the Advisor, who files it in the student's folder.

Please **DO NOT WAIT UNTIL THE LAST WEEK** of March to do all the necessary "paperwork." If you have any questions, please consult Sister Rose in the AdviseMENT Center.)

TENNIS NEWS

The MSMC Tennis Team extended its winning trend by defeating Fullerton College 5-4 last Friday. All the MSMC women were evenly matched with their Fullerton opponents, and mental toughness seemed to be the determining factor in the big win.

Fiercely competitive doubles play is rapidly becoming the trademark of this year's squad, and accounted for the deciding point for last week's win. Tied at one set all, MARIAN MEADE and CAITLIN JAFFARIAN bore down and handled their opponents in the third set, 6-4.

Congratulations to all the players--and GOOD LUCK WITH THE NEXT MATCH! Schedule: Pierce College (away) Friday, March 11; Chapman College (away) Saturday, March 12.

100th BIRTHDAY CELEBRATION!

CONGRATULATIONS to the Great-Grandmother of **NANCY COX** (Nursing Department Secretary), Ms. Lucy Davis, who will be celebrating her 100th birthday on March 15!

Our best wishes to Ms. Davis and her family from all of us at Doheny!

FROM THE DOHENY ADMISSIONS OFFICE:

You may have heard that the Admissions Office is hostessing a program called "Monday at the Mount," which is an overnight program for students interested in Mount St. Mary's College. FROM THE OFFICE OF PRESS RELATIONS:

IN CASE YOU MISSED IT! The College News Office wants you to know that four announcements, mailed to the Chronicle of Higher Education in September 1987, have been printed in the March 2nd issue. TENNIS NEWS

A WINNING TREND CONTINUES! The MSMC Tennis Squad soundly beat the "Brahmas" of Pierce College, 6-3, last Friday. Pierce College, a strong contender in the Western States Conference, could not handle the aggressive style of the MSMC singles players. Cagey on-court tactics allowed Marian Meade and Lisa Liddicoat to easily defeat their opponents in straight sets.

On Saturday, MSMC dropped a hard-fought battle to NCAA Division II Chapman College, 5-4. Although suffering a loss, the MSMC squad exhibited spirited play and added a sense of team cohesiveness. Congratulations go to Lori Borgmann, who scored her first collegiate win, defeating her opponent 7-6 in a third set battle. Borgmann also scored a doubles win with partner "Al" Wright, the duo's first collegiate victory. Marian Meade continues to solidify her assertive and tenacious style in a big singles win. GOOD WORK, TEAM!

If interested in attending MSMC tennis home matches, please contact Coach Todd at the Chalon Campus Athletics Department. Next home match: Saturday, March 26th!

POEM READ AT MASS CELEBRATED BY FR. WILLIAM BUCKLEY

MARCH 10, 1988

Cries of anguish
scream forth
from those imprisoned
for crimes that never were -
For the sin
of being
alive

in the wrong place,
at the wrong time.

Central America,
South Africa,
Asia,
are but a few
of the places.

Millions of people
suffering the injustices
meted out by those
who proclaim themselves
as gods
whose goal
is to dominate
at
any
cost.

Extermination,
Annihilation
of
entire
villages,
but places on a map,
Known
and
unknown
faces!

Medals given
for information
extracted
through torture,
both
physical
and
mental,

from frightened men
and
women
who willingly die
for their own people,
to save the sacrifice
of
many.

Christ lives on!
"You will do greater things than I . . .
I will never leave you!"

These are our saints -
the
true
witnesses
of
life,
death,
Resurrection!

A TIME OF WORSHIP AND SHARING WITH THE BROTHERS OF TAIZE

There will be two presentations: Wednesday evening, April 13, from 7:30 - 10:00 p.m. for young adults at the Chalon Campus Center, and Friday-Saturday, April 15-16, from 7:00 a.m. to 3:00 p.m. for all at St. John's Episcopal Church, 514 W. FROM THE EARLY CHILDHOOD EDUCATION DEPARTMENT

This is Child Care America/Week of the Young Child! -- an annual national celebration to focus public attention on the need for quality early childhood programs.

This week Early Childhood Education majors on campus are wearing t-shirts designed by young children in our state-funded Child Development Center on campus.

Do you know someone who needs good, quality child care for their child/ren? Now is the time to focus on the need. Join us in Donohue Lounge on Wednesday, April 13 (THIS WEDNESDAY EVENING), at 8:00 p.m. for the airing of WHO CARES FOR THE CHILDREN? THE STATE OF CHILD CARE IN AMERICA, on KCET (PBS). Right now, child care in the United States is a top priority issue -- an economic issue, a feminist issue, and one being addressed by all the presidential candidates.

Come to Donohue Lounge on the Doheny Campus at 8:00 p.m. Wednesday, April 13 to: 1) view the TV documentary; 2) sign petitions and write letters in support of the proposed federal legislation to improve child care services; 3) register to vote; and 4) enjoy refreshments.

On Friday, April 15, at 2:30 p.m., Early Childhood majors will be doing special projects outdoors (Building #17) with the Child Development Center children. Stop by and see future teachers at work.

Thank You.

FROM THE ADVISEMENT CENTER

NURSING MATH TEST: All students who intend to transfer into the Nursing Program must take this test and score 85% or above. (NOT 80% as stated in last week's issue of Doheny Happenings). The NEXT TESTS are May 12, 6:00 to 8:00 p.m., and May 13, 2:00 to 4:00 p.m. If you haven't taken/passed, begin preparing NOW.

MATH/PSY 40 PREREQUISITES: All students who need or wish to take Math 9, 28, 38, and/or Psy 40 must have satisfied the prerequisites for eligibility. (Those who are accepted for the Baccalaureate Program are receiving information in their acceptance envelope). If you need to take the test(s), begin preparing. Syllabi are available in the Academic Advisement Center. NEXT TESTS are May 4: 12 noon and 5:00 p.m.

SUMMER SCHOOL: If you are planning to attend summer sessions off campus, request the schedule of classes from the institution and check with the Advisement Center as to transferability to MSMC. If the school of your choice is out of state or in Northern California, it may be necessary to get a description of the course(s) and/or obtain a catalog. There are a number of catalogs in the Center, but we do not have all the schools represented.

FROM THE STUDENT SERVICES AREA

ANY DONORS OUT THERE? Is it really true that the entire Doheny Community can only offer twelve donors for the Red Cross Blood Mobile this coming Wednesday, April 20? It is not too late to sign up -- lists on board in Bldg. 4 and on door of Office 4, Bldg. 7. We need lots more to reach our Spring Quota -- and the Red Cross needs our help! Do your part today -- times available between 9:30 a.m. and 2:30 p.m. Note the posters which remind us: "What if they only gave blood to people who were donors? What would your chances be?" (When you sign, be sure you report to Donohue Conference Room on time. Thanks in advance.)

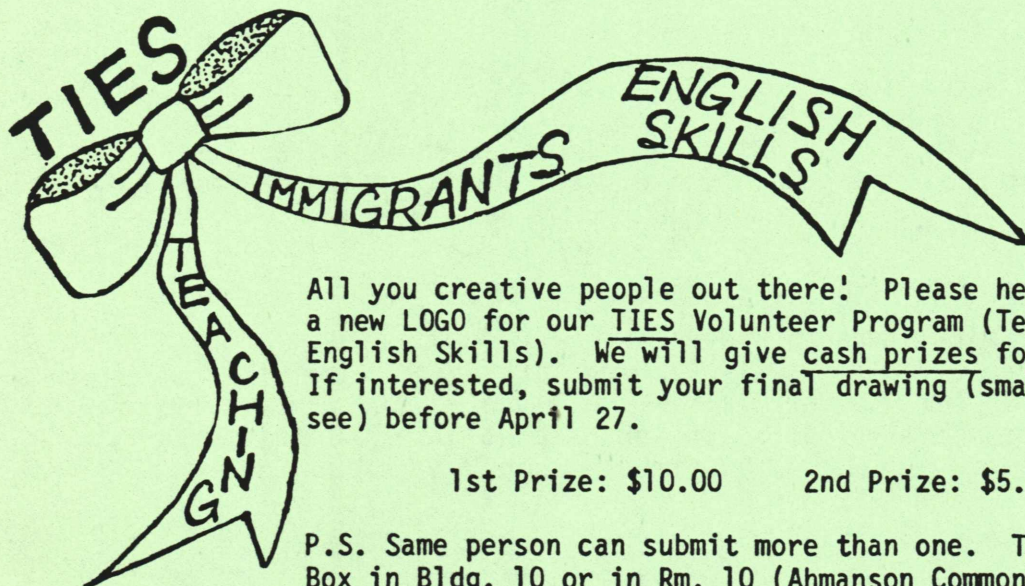

GRADUATION: Have all May graduates handed in materials from the first packet? They were due last week, but we will still be glad to accept those missing so we can have the correct information on you for YOUR GRADUATION! Also, be sure to keep an eye on the bulletin board in #4 for further data/information on the big celebration days in May.

FROM THE RESIDENCE OFFICE

THINKING OF RESIDENCE FOR '88-'89? If any commuters are interested in moving into Residence for the coming year, the applications are available in Bldg. 7 (check door of Office 4 for forms). If you are interested in having a "new" sister or know of a family who might be interested in hosting a foreign student, please contact Sr. Consuelo for further information. Office: Rm. 10 Ahmanson Commons, Ext. 2269.

All you creative people out there! Please help us. We would like a new LOGO for our TIES Volunteer Program (Teaching Immigrants English Skills). We will give cash prizes for the two best ideas. If interested, submit your final drawing (smaller than what you see) before April 27.

1st Prize: \$10.00

2nd Prize: \$5.00

P.S. Same person can submit more than one. Turn in to ESOLD Mail Box in Bldg. 10 or in Rm. 10 (Ahmanson Commons).

FROM CAMPUS MINISTRY

Money will be donated to the CINCO DE MAYO celebration which SR. ALINE MARIE GERBER prepares for us with delight every year. If you haven't had the "GERBER FOOD" since you were a baby, YOU HAVEN'T LIVED! See you May 5!

YOU MADE SOME DESERVING PEOPLE VERY HAPPY! An especially warm thanks to those of you who joined us for SKID ROW DAY and reached out with your hearts open to our brothers and sisters in the clinics, shelters and juvenile detention facility in our city. FROM THE CURRICULUM COMMITTEE

THIS IS TO INFORM ALL MEMBERS OF THE COLLEGE COMMUNITY THAT THE ART DEPARTMENT IS NOT DISCONTINUING THE OFFERING OF THE BACHELOR OF ARTS DEGREE IN ART. Mount St. Mary's College will continue to offer a Bachelor of Arts degree with a major in Art.

Some misunderstanding may have arisen because the Curriculum Committee has recommended the discontinuance of the BFA. The BFA is a performing arts degree requiring successful completion of 72 units of study. Discontinuance of the BFA DOES NOT affect the offering of a Bachelors of Arts degree with a major in Art, which will be continue to be offered.

We will appreciate the accurate communication of this information to persons who may be affected or interested: MOUNT ST. MARY'S OFFERS, AND WILL CONTINUE TO OFFER, A BACHELOR OF ARTS DEGREE WITH A MAJOR IN ART.

FROM THE EDUCATION DEPARTMENT

Periodically, programs directed toward California credentials and approved by the Commission on Teacher Credentialing are reviewed by visiting teams relative to continued accreditation of the programs. Our accreditation visit is scheduled for April 25, 26, and 27.

Programs being reviewed are our Multiple Subjects (Elementary) and Single Subjects (Secondary) Teaching Credential Programs, Special Education Specialist Teaching Credential Program for teaching the Learning Handicapped, Administrative Services and Pupil Personnel Services Credential programs. Ten team members and Dr. Michael McKibbin, Consultant from the Commission on Teacher Credentialing, will be visiting the campus and reviewing the programs during the three day period.

Team members will work primarily at the Doheny Campus and will be located in the Donohue Conference Center. (Special thanks to the resident students at Doheny for their understanding during these days.) Interviews in person and by phone will take place primarily in Building 10; however, some may also take place in Ahmanson Commons. We will have signs posted indicating places in use.

Some of the team members will be visiting the Chalon Campus and interviewing students and selected personnel on Tuesday morning, April 26.

We will appreciate your making our visitors feel welcome when you may see them on the campuses during these days. Thank you very much.

FROM THE DEAN'S OFFICE

SIENA DAY

On WEDNESDAY, APRIL 27, we will be celebrating SIENA DAY on the Doheny Campus. The theme for this year's event is "Christian Visions of Women," and there will be a presentation in the LECTURE HALL from 1:30 - 3:00 p.m., led by Father Aloysius Michael. (See attached flyer for program speakers and topics.)

Come and join the celebration honoring Catherine of Siena! Classes which are held during the 1:30 - 3:00 time period will be cancelled to allow you to attend. Refreshments will be served after the event.

* * * *

Next year, in an effort to give ever greater breadth to the understanding and consideration of issues important in our time, a Wednesday Series of events has been scheduled. The theme for next Fall's Wednesday Series is ELECTIONS '88. A number of one-unit courses will be built around this Wednesday Series. This provides an opportunity to receive academic credit at no additional costs to the full-time student.* Information about these courses will be available at the time of registration. All students are encouraged to take advantage of this wonderful opportunity.

In order to accommodate these events, the scheduling of classes has been modified. The Wednesday 1:10 - 2:40 slot has been left open for the Wednesday Series and for meetings and assemblies. There will be a Monday and Friday class slot from 1:10 - 2:40. It is hoped that all will benefit from the opportunity provided by these changes.

* Note - Starting next Fall, full-time students may register for 18 units without paying additional tuition. All students, even those carrying 18 units, may register for a Wednesday Series course without paying additional tuition.

CHILD DEVELOPMENT CENTER HOP-N-INGS!

The children at the Child Development Center on the Doheny campus are sponsoring an Easter Seals Society Hop-n-ing to raise funds for the handicapped children they've been learning about. The children are seeking sponsors who will donate a per/hop amount. Since the real purpose of the event is to help instill in children at a very early age respect and understanding for people with handicaps, and since the children won't hop more than 3 minutes each, the amount solicited is very small: as little as 1/2 cent per/hop.

The children will be setting up pledge tables at various locations on campus during the next two weeks. They would also be happy to visit classes if invited. Offices and classes at Chalon are welcome to "adopt" any of the four Child Development Center groups as a way to support this wonderful learning-giving experience for the children. The Cloud Room has 11 three and four-year olds. The Sky Rool has 13 four and five-year olds. The Rainbow Room has 12 four and five-year olds. The Afterschool Program has 17 five, six, and seven-year olds.

In order to be enrolled in the Child Development Center, which is State-funded, the children must be in California's lowest economic group. For this reason, the children will not be soliciting funds outside the College, from their families, for instance. So please set aside your spare change, so the children can learn the joy of caring for others.

The grand event, the Hop-n-ing, will take place at the Child Development Center on Tuesday, May 10, 1988, at 3:30 p.m. Everyone is invited to attend and cheer the children on to great feats of hopping on their happy, hopping feet!

ALL STUDENTS: Plan ahead; FILE EARLY. Students will NOT be advised nor be able to file their registration from JULY 30 through September 5. As we begin to advise the incoming students, classes will fill up and if you have not filed early, you may not get the classes you planned to take. REMEMBER: NO FILING, NO ADVISING FROM JULY 30 through SEPTEMBER 5.

SUMMER SCHOOL: Reminder: If you are planning to attend classes off campus during the summer, you need to obtain a TRANSFER OF CREDIT CLEARANCE FORM from the REGISTRAR'S OFFICE, BUILDING 10. Check with the Advisement Center as to transferability if you're not sure. After obtaining the appropriate signature, return the form to the Advisement Center. After you have completed the course(s), be sure to do a request for your transcript to be sent to the REGISTRAR'S OFFICE, DOHENY CAMPUS. (Give the address to be sure it gets here.)

If you are repeating a course, you ALSO need the REPETITION OF COURSE form. ANOTHER THING to consider: are you getting close to graduation? If so, REMEMBER, the LAST 24 UNITS have to be taken at MSMC; so, if you are planning to attend summer school, you may also need a PETITION to waive the Residency requirement.

PLEASE PLAN AHEAD! Exams are close upon you and there are many activities coming along; don't forget to do the necessary PAPER WORK for your FALL classes, and, if necessary, for SUMMER. Remember: May 30 is a legal holiday and offices will be closed. Sister Rose Leonard will not be on campus June 1 through 15. If you wish to see an advisor, phone ahead to be sure that he/she is AVAILABLE. We are advising INCOMING STUDENTS June 20-24, 27-30, and July 12-15 and 18-22.

CELEBRATION '88

CONGRATULATIONS TO EACH OF OUR ASSOCIATE IN ARTS GRADUATES, CLASS OF 1988!

The faculty and staff join me in wishing you happiness and success. You can be very proud of your accomplishment and walk into the future with confidence.

You will always be a part of the Doheny Community, and we hope that you will keep in touch and let us know how you are doing and if there is anything that we can do for you. We are all very proud of you!

TO STUDENTS, FACULTY AND STAFF: Thanks to each of you for your warmth, enthusiasm, kindness, commitment, and cooperation during my "tenure" as Acting Dean this academic year--and thank you for all you have contributed to creating a community feeling on the Doheny Campus. Doheny is truly a "special place," and it is YOU who make it so.

Have a restful and rewarding summer--and come back renewed for the year ahead!

- Dr. Jane Lingua, Acting Dean of the Doheny Campus

Our prayers are with Trish Long and her family at this time upon the passing away of her cousin, Kenny. May they experience God's loving comfort and compassion.

Please pray also for the repose of the soul of Miriam Atilano's grandfather, who recently passed away. May he rest in peace.

EARN ACADEMIC CREDIT WITH A ONE-UNIT "WEDNESDAY SERIES" COURSE

In Fall 1988, the College will host a **Wednesday Series of Events** devoted to exploring the issues and outcome of the November election. These sessions will be held from 1:10 - 2:40 p.m. on each of the following dates:

WEDNESDAY, SEPTEMBER 21 HORIZON'S DAY (Chalon Campus)
WEDNESDAY, OCTOBER 5. LEAGUE OF WOMEN VOTERS
WEDNESDAY, OCTOBER 19 NATIONAL REPRESENTATIVE
WEDNESDAY, NOVEMBER 2 DEBATE
WEDNESDAY, NOVEMBER 9 ELECTION POST-MORTEM
WEDNESDAY, DECEMBER 7 VICTORY AND/OR DEFEAT PARTY

HORIZONS DAY will be held on the Chalon Campus. All other events listed above will be held on the Doheny Campus.

All interested students and faculty are encouraged to attend these presentations. Doheny Campus freshmen and sophomores can register for a 1-unit class that gives focus to these events. Enrolled students will attend each of the presentations and fulfill additional course requirements as indicated by the instructors. The 1-unit courses have recently been given new course numbers as listed below:

- INT 13A Boom or Bust After 1988: Prospects for American Business, Dr. Peter Antoniou.
- INT 13B Political Conflict in Drama, Dr. Helen Deese.
- INT 13C Faith, Culture and Political Choice, Gail Gresser.
- INT 13D The Fall Elections: A Women's Perspective, Dr. Nan Krakow.
- INT 13E Women in American Politics, Dr. Cheryl Mabey.
- INT 13F An Analysis of International Economic Prospects After Election '88, Katherine Whitman.
- INT 13G Children and Legislation, Sr. Imelda D'Agostino.
- INT 13H Women and Other Minorities in Election '88, Sr. James Marien Dyer.

Sections A through F will be offered on the Chalon Campus. Sections G and H will be offered on the Doheny Campus.

You can enroll during Early Registration or by adding the class in the first part of the Fall Semester. Since participation in these courses requires attendance at all Wednesday Series Events, students may not add any of the above sections after September 21, the date of the first presentation.

Take advantage of this great way to expand your horizons and earn academic credit! And be watching for other lecture series to be held in the future.

DESIREE BODIE (3 semesters)
ANGIE PONCE

We are all very proud of your achievements!

THE DOHENY HAPPENINGS staff congratulates ALL of our A.A. Graduates, and wishes everyone a HAPPY and RELAXING summer!!

FROM THE ADVISEMENT CENTER

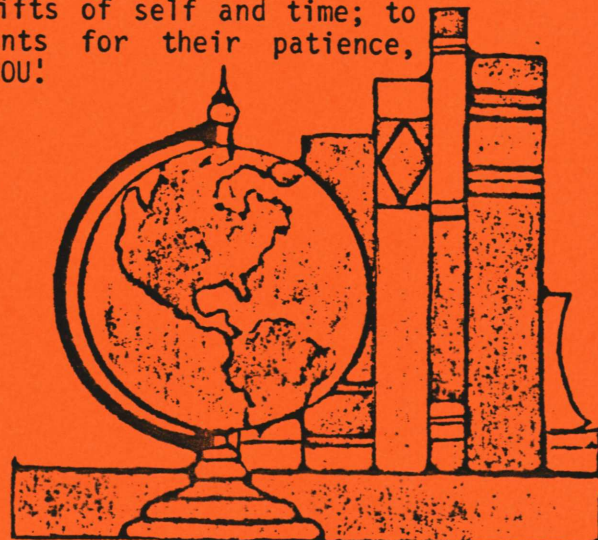

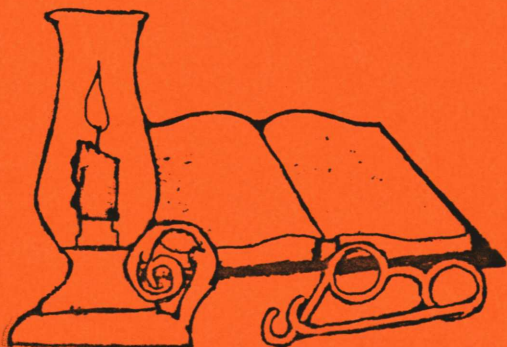

ATTENTION STUDENTS WHO STILL WISH TO TRANSFER INTO A CHALON BACCALAUREATE PROGRAM for FALL '88: Applications are being accepted. If there is any student who is NOW interested in applying for the Intercampus Transfer you may do so. Get an application form from the Registrar's Office and then meet with your advisor. Please do this SOON. If you missed the March 25 deadline to file and still wish to file your application, you may do so--SOON. The deadline for processing the application is June 28; however, you may file before the deadline (and are encouraged to do so.)

SUMMER SCHOOL: Are you planning to attend a class off campus? Have you checked for transferability? Have you gotten your TRANSFER OF CREDIT FORM from the Registrar's Office? Have you obtained the proper signatures? Have you turned in your complete form to the Advisement Center? Oh yes, did you need a waiver and have taken care of that? You did! Good for YOU! If you haven't . . . Please do so NOW. Remember, ADVISORS may not be available when YOU'RE "ready"; also, Sister Rose is off campus until June 16 and that day is Placement Testing, sooooo. . . .

RETURNING STUDENTS WHO HAVE NOT YET FILED THEIR REGISTRATION: Advisors made special arrangements to provide additional time for you during Early Registration. If you were unable to meet with them and/or didn't meet with them because of financial and/or personal difficulties, you may do so during the next days and the months of June and July; BUT, the advisors are not always available at your convenience because they are involved with incoming students' advisement and other college related work. That is why we have "Early Advisement/Registration." If you still need to do your registration process, be sure to phone ahead for an appointment.

REMINDERS: Monday, May 30 is a legal holiday and offices will be CLOSED. Sister Rose will not be on campus June 1 through 15. June Placement Testing dates are 16, 18 and 25 and incoming students' advisement for June are 20-24, 27-30; these are especially busy times for Advisors and the Advisement Center. Most summer school sessions aren't beginning until June 27, but please don't wait until then to do your paper work. REMEMBER, TOO, that there is no advising nor any filing from JULY 30 through SEPTEMBER 5.

THANK YOU to all the Advisors for their generous gifts of self and time; to the Peer Advisors and Advisement Center Assistants for their patience, generosity, interest and assistance; and, to all of YOU!

GRADUATE ALERT!

Last chance! Is there any graduate who has not received the final packet of information? If so, PLEASE come by Bldg. 7 right away so we can be sure you are fully taken care of before the BIG WEEKEND.

You are reminded that practice for the A.A. Hooding will be on Thursday, May 26 at 2:15 p.m. Report to the Lecture Hall. The Graduation Practice will be on Friday, May 27, at 1:45 p.m. at Chalon. (Remember that there is an Alumnae Luncheon at 12:30 - 1:30 just for you -- plan to come before the practice so you can join in on the fun.)

And finally, CONGRATULATIONS to the A.A. Speaker at Graduation -- Maria Tinoco! Further CONGRATULATIONS to Julia Gonzalez and Claudia Juarez who will give the welcome on behalf of all of you at the Hooding Ceremony. We are proud of all of you!

FROM THE STUDENT SERVICES AREA

DELTAS! Special thanks to all of you who have worked on the various Delta volunteer jobs throughout the year. We could not have done it without you and are very grateful!
